OKOTOKS AIRPORT NEWSLETTER

In April 2010, Bryce Medd attended the Okotoks Flying Club meeting indicating the Okotoks Air Ranch General Partners Inc.'s intent to implement a Facility Use Fee of \$25.00 per month. This fee came into effect May 1, 2010 and will apply to all aircraft.

As you are aware, the Okotoks Airport is a privately owned facility and does not receive town or municipal funding. This fee will be used solely for the maintenance and repair of the site infrastructure. Our intent is to purchase a used utility vehicle with various attachments that will address the overall function and appearance of CFX2.

Just a reminder that we require a copy of your insurance with the Okotoks Air Ranch General Partner Inc. named as an insurer. Please check your policy and submit updated copies to the above address.

We are also offering a rate of \$10.00 per night for tie downs. We plan to install a donation box for aircraft that are using our facilities on an ad hoc basis.

We are also working on a website, **cfx2.ca**. Please watch for updates in the near future. This site will house all pertinent data regarding our tie down administration, wildlife management reporting and pilot information. In addition, individuals will be able to register on the site and post comments regarding their experience with the airport. Our intent is to convey our message through a single point of reference for ease of communication with our customers.

Should you wish to speak with any of our representatives, please contact:

John Servos
Airport Manager
Phone (403) 880-1913
Fax (403) 206-7255
Email: john@cfx2.ca

John is available most evenings after 7:00 pm and manages on-site tours, orientation, safety management systems and day to day airport operations.

Lois Schneider
Airport Administration Manager
Phone (403) 808-6007
Fax (403) 206-7255
Email: lois@cfx2.ca

Lois manages airport leased facilities, tie down information, and financial administration.
